

## TO ORDER/REPAIR

---

All stock numbers are for the basic standard body. When valve body is offered in a choice of materials, please specify by adding as a suffix to the stock number.

CS — For CARBON STEEL  
316 — For 316 STAINLESS  
BR — For BRONZE  
MM — For MONEL

**SPECIAL ORDERS:** Valve bodies may be ordered in materials other than those specified. Please call or write to inquire.

**REPAIR:** Baird valves are specifically designed so that repairs and pressure adjustments can easily be made on-site. No special tools or equipment are required. If you have a problem which does not respond, please contact Baird or your supply store.

**NOTE:** O-Rings are subject to wear and need to be replaced from time to time. Always replace O-Rings any time a valve is shut down for repairs or replacement parts.

*BAIRD ALSO MANUFACTURES  
RELIEF, REGULATOR AND BY-PASS VALVES,  
BALL & SEATS AND SNUBBER CAGES.*
